The logo for Romero Plumbing & Heating features the name "ROMERO" in a large, bold, sans-serif font. The letters are filled with a stippled or dotted pattern. A thick, solid black lightning bolt strikes diagonally across the letters from the top left to the bottom right. To the right of the name, the words "PLUMBING · HEATING" are written in a bold, sans-serif font inside a black rectangular box. Below this, the words "ELECTRICAL · SERVICE" are written in the same font and style inside another black rectangular box. The phone number "Phone 133" is centered between the two boxes.

STEUBEN COUNTY

Today thousands of people who have visited this part of Indiana quickly say, "The most beautiful spot I have ever seen." Recreation sunshine and rest are essential to health and happiness. One hundred and one clear spring-fed lakes for you to explore with fish in every one, wooded shores, and safe beaches makes this county your vacation choice.

DO YOU PLAY GOLF?

GOLF: If you are coming to Steuben County this summer (northeast county in state of Indiana) the land of 100 lakes, bring your "clubs" with you.

The 9-hole Lake James course is on the hills overlooking the lake. It is one of the sportiest in the country, played and enjoyed by the best golfers in Indiana, Ohio and Michigan. Membership fees are nominal and guest privileges are extended for the day. The clubhouse is the "bright spot" in Steuben county, serving excellent mixed drinks in the beautiful cocktail lounge, along with chicken and steak dinners.

It is easy for you to catch a supply of pan fish most anytime, such as bluegill, perch, rock bass and many other varieties. For the most expert fisherman, pike and pickerel, tipping the scale at 24 pounds, and large mouth bass. The king of the fish family—the small mouth bass, has been taken from these waters weighing 6¾ pounds. Through the efforts of the Indiana Conservation Department and the local clubs the abundant supply of fish is permanently assured. All kinds of vacation sports are available in the "Land of Smiling Water." Sail boating is very popular. Horseback riding, hiking, tennis, golf on a very sporty course, surf board riding, fast motor boats can be included in your vacation, and as the spray of clean, cool water brushes your cheek, a feeling of joy and happiness comes to you that makes you glad you are one of thousands who spend their vacation in Steuben County.

Modern hotels, cottages, rooms and camp sites, at very reasonable rates are to be found here. The vacationist need never be far from good accommodations, food is the best.

In Pokagon State Park you will find a large modern finely constructed hotel open all year, also a boys' camp which offers wood-craft and all other sports which played such a big part in the lives of Kit Carson, Daniel Boone, Buffalo Bill and many others of our boyhood heroes. You will find a vacation for your boy now at Pokagon State Park will do much in the making of the real man of tomorrow. A large shelter house with massive fireplaces and outdoor stoves are here for you to use. Trailer space and camp sites are available in the park. You will see buffalo, deer and elk, interesting to the children as well as the adults. There is an excellent bathing beach at Pokagon State Park and a riding stable with good horses.
